FORMAT. THE SUCCESS RANGE FOR YOUR BUSINESS.

The assortment of the **FORMAT** brand family includes everything you need every day in retail and trade.

With **FORMAT Premium** you can equip special and exquisite bathrooms and thus inspire very demanding and solvent customers. The **FORMAT Design** and **PRO** segments offer high-quality products at an attractive price-performance ratio.

With **FORMAT Basic**, you offer a program that is structurally and priced perfectly matched to objects and tenders. Thus, with **FORMAT** you always have the right solution for every request, every style, every customer and every budget.

FORMAT Therm and **Tec** stand for reliable and highquality heating and installation technology and were put together in close cooperation with PHAC professionals from trade and crafts.

With these assortments you serve your customers from the PHAC craft and their daily requirements. With the **FORMAT** complete program for „in front of and behind the wall“, you are the point of contact for professional sanitary installation and ensure efficiency and the future for yourself and your customers.

FORMAT offers everything that the bathroom and the PHAC Specialist Trade need every day.

Master bath, approx. 24 sqm, with FORMAT design equipment
